I. Introduction
A. Preamble
The mission of Haskell Indian Nations University is to build the leadership capacity of our students by serving as the leading institution of academic excellence, cultural and intellectual prominence and holistic education; in order to address the needs of Indigenous communities.

Haskell has established a Code of Student Conduct in order to promote healthy decision-making and to protect the rights of all students. Each student is responsible for contributing to the values of Haskell through support and adherence to the Code of Student Conduct. By forming this Code of Student Conduct, Haskell affirms students’ rights to freedom, due process and impartiality in decision-making. Haskell also prides itself on the focus of learning for students as they relate to self, friends, family, tribe, country, and world.

Sanctions are meant to help students reflect on their actions and learn to make better choices in the future to ensure they retain the opportunity to reach their academic potential. Students will be treated with fairness and respect throughout the processes of Student Conduct. The Code of Student Conduct helps students understand the conduct expectations of the university and the consequences of your decision-making as a role in student learning. We hope you will think about your choices and decisions and the impact they can have on your leadership potential and ability to complete your degree at Haskell before you engage in actions that violate our standards of conduct.

In October 2014, Haskell adopted new Institutional Values, commonly referred to in the document as “CIRCLE” values.

Communication

To successfully convey ideas, opinion, information, results, images and creative expression using multiple strategies for diverse groups and stakeholder.

Integrity

To conduct ourselves in ways that honor the sacrifices of our tribes on which treaty and trust responsibilities are based; and to carry out our responsibilities as students, staff, faculty, administrators, and regents by engaging in action based on the highest standard of conduct.

Respect

To honor and promote the diversity of beliefs, rights, responsibilities, cultures, accomplishments of self and others, including our non-human relations.
**Collaboration**

The willingness and ability to work successfully with others to accomplish the goals of the university and to meet the needs of our students, the tribes we represent and serve as well as our mission.

**Leadership**

The willingness to acquire the knowledge and skills required to advocate for, and to advance the sovereignty and self-determination of tribes, Haskell and the students.

**Excellence**

To strive toward the strongest level of accomplishment in our respective roles on behalf of Haskell, as students, staff, faculty, administration, and the Board of Regents.

**B. Vision Statement**

Haskell is a unique and diverse intertribal university committed to the advancement of sovereignty, self-determination, and the inherent rights of tribes.

**C. Authority**

The President of Haskell Indian Nations University has delegated the responsibility and authority for resolving all issues of student conduct with the Student Conduct Administrator. It will be presumed that Haskell employees will act in good faith when performing their duties and shall use a reasonable person standard to make discretionary decisions.

The Student Conduct Administrator shall determine the composition of Student Conduct Committees and Alternative Dispute Resolution Boards.

The Student Conduct Administrator shall develop internal policies and procedural rules for the Student Conduct Process and for Student Appeals Committees that are consistent with the provisions of the Code of Student Conduct.

Decisions made by a Student Appeals Committee, Alternative Dispute Resolution Board or the Student Conduct Administrator shall be final pending appeal, if any.

**D. Jurisdiction**

You are responsible for your conduct from the time of application to Haskell for admission through the actual awarding of a degree. You are accountable for conduct that occurs before classes begin, after classes end, on or off campus, during the academic year or during periods between semesters of actual enrollment. You are responsible for your
conduct throughout your education at Haskell, even if your conduct is not discovered until after a degree is awarded or you have left the university.

While representing the university in off-campus events, you are held accountable for actions that may violate the Code of Conduct. The Code of Student Conduct shall apply to your conduct even if you withdraw from school while a disciplinary matter is pending.

The Student Conduct Administrator shall decide whether the Code of Student Conduct shall be applied to conduct occurring off campus.

Anyone can file a written report against a student for violation of the Code of Student Conduct. The report shall be submitted to the Office of Student Conduct within five (5) business days from the date the situation occurred. The 5 business days rule does not apply to any complaints alleging sexual misconduct. To learn more about processing sexual misconduct complaints and procedures, please go to page 45.

E. Violation of Law and University Discipline
You can be sanctioned for violation of the Code of Student Conduct, even if you receive a sanction for a violation of local, state or federal law arising from the same situation. Your Student Conduct Process can happen before, during, or after the on or off campus legal matter. The sanctions you receive in the legal matter will not determine the sanctions given by the Office of Student Conduct or the Student Conduct Committee.

In order to be clear, if you get in trouble on or off campus and it is determined that you have violated the Code of Student Conduct, the outcome of the legal matter will have no effect on the Student Conduct process. You can be found not guilty in criminal court and still be found responsible for violation of the Code of Student Conduct.

1. **Notice.** Written notice of charges within a reasonable time before a hearing. Notice of charges shall include reference to the regulations allegedly violated, the facts alleged to constitute the violation, and notice of access to all statements related to the charge and to those parts of the student’s school record which will be considered in rendering a disciplinary decision.

2. **Hearing.** A fair and impartial hearing. In an emergency situation that seriously and immediately endangers the health and safety of the student or others, a Haskell official may temporarily suspend a student, but shall immediately report in writing the facts (not conclusions) giving rise to the emergency. The official shall afford the student a hearing which fully comports with due process as soon as practicable thereafter. Please see Student Conduct Office regarding 25 CFR mandate.

3. **Representation.** The right to have an Advocate at the hearing. An attorney will be allowed to present the student’s case, but only at the student’s expense.

4. **Confrontation.** The right to confront and examine all witnesses and to produce and have produced witnesses on the student’s behalf and to confront and examine all witnesses.

2. A Haskell employee must have permission from his or her immediate supervisor to act as an Advocate. The Student Conduct Administrator will investigate potential “conflicts of interest” before a hearing.

3. A Haskell student must be in good academic and social standing to be an Advocate. A student Advocate must notify the Office of Student Conduct and withdraw from being an Advocate if he/she is no longer in good academic and/or social standing OR if he/she has pending a disciplinary matter.

4. The Advocate is responsible for scheduling his/her own investigative interviews.

5. The student is responsible for providing the Advocate with all information that pertains to his/her case.
6. The Presiding Officer will state on the record at each hearing that the student is represented by an Advocate and that a signed release form, allowing the Advocate access to records and documentation associated with the student’s case, is in the student’s case file.

C. Alternative Dispute Resolution
Haskell may address a student violation using an Alternative Dispute Resolution (ADR) process or the Adjudication process.

(1) When appropriate, Haskell will first attempt to use the ADR process.

(2) When the ADR process does not resolve matters or cannot be used, Haskell must address the alleged violation through the Adjudication process.

ADR process may:
(1) Include peer adjudication, mediation, and conciliation; and
(2) Involve appropriate customs and practices of the Indian Tribes or Alaska Native Villages to the extent that these practices are readily identifiable.

D. Restorative Justice
Haskell may offer another alternative to addressing a student violation using the Restorative Justice model. This model focuses on understanding and repairing the harms created by inappropriate conduct. The Student Rights Specialist and the Dean of Students can determine if the Restorative Justice model will work in situations, and will be dealt with on a case by case basis.

Haskell may address an alleged violation through the ADR process or Restorative Justice Process unless one of the following conditions apply:

- the act requires immediate removal or emergency suspension.
- OR
- all parties do not agree to using an ADR process.

E. Adjudication Process
1. An Incident Report shall be filed with the Student Conduct Administrator within five (5) business days of the incident.
2. The Student Conduct Administrator shall send a letter to the accused student through campus mail informing the student of the appointment date and time to meet with the Student Conduct Administrator or assigned housing staff. Minor violations are handled by the Housing staff. Major violations are handled by the Student Conduct Administrator with the exception of Fire Safety violations. Fire Safety violations are handled by the Safety Officer.
3. At this meeting, the decision maker shall determine whether the student has committed a violation and shall impose sanctions based on preponderance of the evidence. If the student is found not responsible, then no sanctions will be given.

4. Alternative Dispute Resolution (ADR) may be used when the accused student and the decision maker agree to it. Situations may arise where the alternative dispute resolution process would resolve a problem in an informal manner.

F. Appeal Process
1. A student may appeal based on the following:
   a) Deprivation of Due Process.
   b) Inadequate evidence to justify decision.
   c) Sanction not in keeping with the gravity of the violation.
2. The student shall submit a written request for appeal that lays out the reason for appeal. The written request shall be submitted to the Student Conduct Office, Minoka Hall, Room 106, no later than 5:00 p.m. and no later than 12:00pm noon five (5) business days after the Student Conduct Administrator’s decision.
3. The student shall have the opportunity for an appeals hearing before a Student Appellate Board. The Student Appellate Board is made up of at least three to five Haskell employees and/or students, selected by the Student Conduct Administrator. The student shall be notified through campus mail of the time and date of the hearing.
4. The student is allowed a 15-minute waiting time from the time that the hearing is to begin. Failure to report to the hearing before the waiting time ends will result in the Student Conduct Committee making a determination from the material before it.
5. At the hearing, the student may present a case, including witnesses and documents, and may ask questions of the accuser.
6. The Student Conduct Committee may interview the accuser, the accused student, and the witnesses.
7. The Office of Student Conduct shall record all hearings. Minutes of the hearing shall be available upon written request to the accused student. Students and witnesses are not allowed to record hearings.
8. Students are allowed to have an Attorney at Law present as an advocate at their appeal but at their own expense.
9. Parents have no standing in the appeal process.
10. After the Student Conduct Committee has deliberated in private, only the accused student and the student’s authorized Advocate will be called before the Student Conduct Committee to be informed of the decision, a final decision will be made at this hearing.
11. The Student Conduct Committee has the authority to retract or alter any sanctions that were applied by the Student Conduct Administrator, the Housing Staff, an Alternative Dispute Resolution Board or a Restorative Justice Conference.
12. The decision of the Student Conduct Committee is final and there are no additional appeal rights to pursue.
G. Appeal Process following Expulsion
Given the serious nature of expulsions, Haskell has established specific procedures for the appeal of an expulsion.

1. If a student appeals an expulsion, the appeal will be referred to a Student Appellate Board. The student has five (5) business days from receiving notice of expulsion to file an appeal with the Student Conduct Administrator. The Student Conduct Administrator is responsible for convening the Student Conduct Committee and shall preside as the chair during the review hearing.

2. The Student Conduct Administrator shall schedule a review hearing after receiving an appeal and the student will be notified through campus mail. Such notice shall contain:
   a. A specific statement of the violation(s) for which the student is being expelled.
   b. A statement of the time, date, and location of the Student Conduct Committee hearing to review the expulsion.
   c. A statement specifying the student’s right to have an Advocate (or student paid attorney) to assist him/her. A “Release of Information” form must be completed by the Advocate and filed by the student or the Advocate.
   d. A statement advising that the student may voluntarily waive the right to be present at the review hearing. Such statement shall advise that the student may not be forced to sign such waiver. Failure to report to a Student Conduct Committee review hearing shall constitute a waiver.

3. The Student Conduct Committee shall have access to all materials used at the hearing that resulted in an expulsion order, including audiotapes of the proceeding. Additional material(s) provided by the student shall be allowed.

4. The Student Conduct Committee shall issue a decision. The Student Conduct Committee may uphold the expulsion; reverse the expulsion and order other appropriate sanctions; or, on a finding of serious procedural error below, reverse the expulsion and remand the case to the Student Conduct Administrator for further proceedings.

5. The Student Conduct Administrator shall notify the student in writing of the Student Conduct Committee’s decision.

6. The Student Conduct Committee’s decision is a final decision.

7. Students expelled from Haskell forfeit their right to attend Haskell. They may not return to Haskell and are not permitted to be on campus grounds or in buildings without permission from Haskell’s President.

H. Personal Safety during the Student Conduct Process (Affected Person’s Rights)(25 C.F.R. 42.9)
In formal disciplinary proceedings, each school must consider affected person's rights when appropriate.

(a) The affected person's rights may include a right to:
   (1) Participate in disciplinary proceedings either in writing or in person;
   (2) Provide a statement concerning the impact of the incident on the affected person; and
   (3) Have the outcome explained to the affected person and to his or her parents or guardian by a school official, consistent with confidentiality.
For the purposes of this part, the affected person is the actual affected person, not his or her parents or guardians.

The decision maker may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Respondent, and/or other witness during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Director of the Office of Student Conduct. Students should contact the Title IX Coordinator Tonia Salvini at Pushmataha Hall for a listing of affected person’s rights.

J. Sanctions
A decision maker has discretion to impose disciplinary, educational and/or restorative sanctions for a violation.

Disciplinary Sanctions
1. Warning and Probation- A notice in writing to the student that the student is found to have violated specific Haskell regulations and that more severe disciplinary sanctions may be imposed if the student is found to violate Haskell regulations during the designated probationary period.
2. Notice to Vacate: A Notice to vacate means that a student must vacate their residential hall. Typically a Notice to Vacate (NTV) is in place for one year of the issuance.
3. Loss of Privileges- Denial of specified privileges for a designated period of time.
4. Loss of Good Social Standing- Loss of Good Social Standing bars the student from being an officer in a student organization or representing Haskell. It is regained once other sanctions are completed.
5. Fines- Previously established and published fines may be imposed.
6. Residential Hall Removal- This may be either temporary or permanent. Temporary removal is separation of the student from the residential halls for a definite period of time, after which the student is eligible to return. Conditions for return must be specified under a temporary removal. Permanent removal is a permanent separation of the student from the residential halls with no eligibility for return. Conditions for return will not be specified under a permanent removal since the student is ineligible to return.
7. University Removal- This may be either temporary or permanent. Temporary University Removal is separation of the student from Haskell for a definite period of time, after which the student is eligible to return. Conditions for return must be specified under a temporary removal. Permanent removal is a permanent separation of the student from Haskell with no eligibility for return. Conditions for return will not be specified under a permanent removal since the student is ineligible to return. A student that has been removed will automatically receive a notice of trespassing if the student is found to enter or loiter on Haskell premises without prior authorization from Haskell’s President.
8. Revocation of Admission and/or Degree- Admission to or a degree awarded from Haskell may be revoked for fraud, misrepresentation, or violation of Haskell standards for obtaining the degree or for other specified violations committed by a student before graduation. Revocation of admission and/or degree may be coupled with temporary or permanent University banishment.
9. Withholding Degree- The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Code of Student Conduct, including the completion of all sanctions imposed.
10. Loss of Organizational Recognition: Student organizations that violate the Code of Student Conduct may lose their status as a student organization.
11. “No Contact Order” - A “no contact order” may be imposed to prohibit a student from being in contact with another student or Haskell employee. This includes personal, electronic, postal, or any other types of contact. The no-contact order may be temporary or permanent.

12. Guest Restriction: A student may be restricted from hosting guests in the residential halls if the student violates the guest policy. The guest restriction may be temporary or permanent.

Educational Sanctions
1. Reflection Essay: A reflection essay may be assigned to help a student reflect on what choices he or she has made to get into a situation, what he or she could do instead to avoid situations like this in the future, and what he or she learned in this situation. The essay cannot serve to blame others for the actions of the student. Length will be assigned by the Student Conduct Administrator or Housing staff.

2. Policy Review: A policy review may be assigned in order to help students understand the motivation behind the Code of Student Conduct. In this essay, the student must reflect on why the policies he or she violated exist in Code of Student Conduct and what would happen if the policy did not exist. The review cannot be used to argue against the Code of Student Conduct. It is meant to challenge the student to think from many perspectives. Length will be assigned by the Student Conduct Administrator or Housing staff.

3. General Essay: A General Essay may be assigned about any topic the Student Conduct Administrator deems appropriate for the violation. Length will be assigned by the Student Conduct Administrator or Housing staff.

4. Interview: An interview with a relevant campus resource may be assigned to help the student learn from this situation and relevant campus resources. The length and number of questions will be assigned by the Student Conduct Administrator or Housing staff.

5. Flyer: An 8.5”x11” flyer about the violations committed may be assigned in order to help the student better explain a policy and to educate the Haskell or residential hall community about the violation.

Restorative Sanctions
1. Letter of Apology: A letter of apology will be assigned as a sanction when the student showed disrespect to other members of the Haskell community. The letter must be sincere and will be reviewed by the Student Conduct Administrator before it is delivered.

2. Community Connection Activities: Community Connection hours will be assigned to help the student to repair harm done through his or her actions, but more importantly will help the student find better connections to help the student be successful at Haskell. The Student Conduct Administrator will assign the specific location where hours are to be completed and specify a date by which the community connection hours must be completed.

3. Recommended Counseling: Counseling will be recommended in writing to students for assistance in resolving any potential mental or emotional issues. The recommendation will be maintained in the student’s file.
4. Haskell Chemical Abuse Prevention Program (HCAPP): HCAPP or another licensed and/or certified Alcohol Assessment program will be required of students for severe alcohol violations. This program assists students in understanding if they have problems with alcohol.

5. Conference: A conference between the person harmed and the person who violated the Code of Student Conduct will be assigned in cases where the person harmed agrees to have a conference with the student who violated the code. The main objective of a conference is to have the student who violated the code understand how his or her choices have affected others.

6. Restitution- Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.

7. Haskell Mental Health Assessment (HMHA) - HMCA or another licensed and/or certified mental health assessment program will be required of students for severe incidents involving violence and other threatening behavior. This program assists students in understanding if they have problems with anger management, and/or patterns of behaviors associated with violence.

K. Emergency Suspension
Any action to separate a student from the campus before a hearing is known as emergency suspension. An emergency suspension can only come from the Student Conduct Administrator. The forms for the Emergency suspension can be found on the website under the Student Conduct Office. There are three levels of Emergency Suspension. Please refer to page 94 for more information.

The emergency suspension may be imposed only: a) to ensure the safety and wellbeing of members of the Haskell community; b) to ensure the student's own physical or emotional safety and wellbeing; or c) if the student poses an ongoing threat of serious disruption of, or interference with, Haskell’s normal operations.

During the emergency suspension, a student shall be denied access to the residential halls and/or to the campus (including classes), food service, community activities and all other Haskell activities or privileges for which the student might otherwise be eligible, as the Student Conduct Administrator determines to be appropriate.

L. Trespassing Procedures
A temporary, interim, or permanent “University Banishment” order will include a “no trespassing notice.” The notice shall state that (a) the student will be charged with trespassing if he or she is found to enter or loiter on Haskell premises without prior authorization from Haskell’s President and (b) Haskell will notify local, state or federal law enforcement units to enforce the law if the student violates a “no trespassing notice.” The “no trespassing notice” will expire when the “University Banishment” order is lifted, expired or dismissed.

Similarly, a temporary, interim, or permanent “Residential Hall Banishment” order will include a “no trespassing notice.” The notice shall state that (a) the student will be charged with trespassing if he or she is found to enter or loiter on the residential hall
premises without prior authorization from Haskell’s President and (b) Haskell will notify local, state or federal law enforcement units to enforce the law if the student violates a “no trespassing notice.” The “no trespassing notice” will expire when the “Residential Hall Banishment” order is lifted, expired, or dismissed.

M. Diversion
The Office of Student Conduct for Haskell Indian Nations University has established the following guidelines for the Diversion Application process. This program is a service that is available only once during a student’s enrollment at Haskell, and is designed to be a learning experience for students to help them be successful in their educational endeavor.

Diversion is a privilege and not a right. No presumption in favor of diversion exists in any case, and the burden of proof rests with the student to establish that a diversion agreement will best serve the student, the interests of the university, public safety and the rights of the victim(s).

In determining whether to grant a diversion, the Student Services Department will consider whether the student demonstrates a genuine sense of remorse and is prepared to acknowledge the offense(s) charged and accountability for consequences for his/her actions. Other factors to consider are the nature of the offense and the circumstances surrounding it, the probability that the student will cooperate and benefit from the program, the impact of diversion of the student on the university, the recommendations of the involved parties and that of the victim(s), the amount of restitution/damages which is owed, and any mitigating and aggravating circumstances surrounding the incident/offense.

It is not required that the student have a representative for the purpose of the diversion. However, each student has the right to secure counsel and have him/her represent them through the application process. If the student chooses to hire an attorney or seek legal advice, those costs are assessed to the student.

Eligibility
The Office of Student Conduct will consider a number of factors in determining whether or not diversion is appropriate, which shall include but not be limited to the following:

1. Prior offense(s) and nature of incident.
2. Academic standing.
3. Recommendations or letters of support.
4. Letter of intent by student.
5. Completed application and all materials related to application received in timely manner.

It is presumed by these guidelines that a diversion is NOT appropriate in the circumstances that follow:

1. If the student has been found in violation of a substance abuse offense within the last five years.
2. If the incident involved violence and/or weapons that resulted in arrest.
3. If the student was placed on emergency suspension as a result of the incident.
4. If the student received any prior diversions or has pending incident reports not including matters covered by this application.
5. If the student has been suspended from residential housing within the last five years.
6. If the student had an incident report processed through Office of Student Conduct.

**Procedures**
The student must attend all conferences set by the Office of Student Rights in regards to the application process. During the initial conference regarding the incident report a determination will be made as to the disposition of the incident. If the student meets the eligibility criteria an application may be obtained and the diversion process initiated. The student will be need to complete the diversion application within 5 working days of formal adjudication, all necessary documents and materials must be submitted with the application. Partial applications will not be accepted.

**Assessments**
- If the incident involves alcohol or drugs, the student may need to obtain an alcohol or drug evaluation from the Haskell Health Center prior to a final decision.
- If the incident involves violence, the student may be required to obtain an anger management assessment which may be done through the Haskell Health Center.

Notification of the application’s approval or denial will be issued to the student during a conference to be set by the Student Services Department. In the event the application is denied, due process will continue for the offense.

**Requirements**
Once the student has been notified of the approval of the application, an appointment will be set for the student to review the requirements and conditions of the diversion.
- If an assessment was required, the recommendations of the assessment must be completed fully by the student as prescribed.
- Monitoring of academic progress by student and Office of Student Rights, or designee.
- Establish individualized plan for monitoring.
- Failure to adhere to conditions and requirements, or a second report involving substance abuse or similar offense will end diversion and loss of residential housing will be immediate with no appeal process.
- Failure to comply or any requests for extensions will result in the doubling of the fines and community service hours.

Diversion provides an opportunity for students to maintain Good Social Standing and remain eligible for housing. Students may participate in a drug or alcohol treatment program while fulfilling the sanctions for violating the Substance Abuse Policy. For more information please turn to page 37.
NOTE: If a student is in an Honor Residential Hall and violates the Substance Abuse Policy and/or Violence Policy, he/she will have to vacate immediately and move to a regular residential hall. The Haskell Chemical Abuse Prevention Program (HCAPP) and/or Haskell Mental Assessment (HMHA) may be utilized. Students can choose to use other certified and/or licensed diversion programs at their own expense. Failure to complete a diversion program will result in an immediate “Notice to Vacate” a residential hall and the student will no longer be considered in Good Social Standing. All sanctions must be completed before the student is considered to be in Good Social Standing once again.

Student will need to apply for a diversion, and have that request granted in order to secure it as an option. The Student Conduct Administrator will review all diversion applications and make a determination to approve, or deny. Failure to complete application process, or having the diversion application denied can result in eviction from housing, a notice-to-vacate being issued, or other consequence deemed appropriate.

Application includes:
Completed Diversion Application
Personal Statement
Letter of Support from Instructor

A diversion application needs to be filed within 5 working days of formal adjudication.
IV. Substance Abuse
A. Standards of Conduct
Haskell’s substance abuse policy prohibits the possession, use, or transporting/trafficking of alcohol, illegal drugs, non-prescribed prescription drugs, and other mind-altering substances by students. Haskell does not accept abuse of alcohol or drugs by students and behaviors that occur as a result of such abuse. The most serious consequences of this behavior are the loss of housing and suspension or expulsion from the University.

Haskell seeks to enrich the lives of students by employing programs and services to assist them, referring them to counseling, and having staff conferences with them. See the Counseling Center for information about campus programs to prevent the possession, use or distribution of alcohol and drugs.

Haskell will contact the parents/guardians of students under the age of 21 in regards to violation of the “Substance Abuse Policy.”

B. Medical Release for Substance Abuse
Abuse of alcohol and/or drugs is a serious threat to the wellbeing of students and the Haskell community. Accordingly, students who abuse alcohol or drugs to the extent that they become incapacitated and/or require monitoring shall be referred to the Counseling Center. The Counseling Center shall determine if students should be medically released from Haskell. Any student who is medically released must provide proof of treatment at a certified or licensed treatment facility and a written recommendation for return to Haskell from a licensed mental health professional before readmission to Haskell. In some cases, violations of the code of conduct for medical reasons could be removed from the record.

C. Sanctions for Violation of the Substance Abuse Policy
1. First Violation:
   • Student can participate in a Diversion Program in order to maintain housing.
   • A student who does not participate in a Diversion Program will receive a “Notice to Vacate”, or “Eviction” resulting in immediate loss of housing for one year from the date of issuance.
   • Any time a student is found in violation of the Substance Abuse Policy, he/she will lose their housing privilege. However, a student may appeal the loss of housing on their first violation only. The student shall remain in housing pending the outcome of the appeal. Should the student lose the appeal, the previous “Notice to Vacate” will go into effect immediately.

2. Second Violation: This sanction is mandatory; however a student may appeal to the appellate board for review. The Student will receive an order that includes the items below:
   Notice to Vacate, resulting in immediate loss of housing for one year from the date of issuance, also includes:
   • Loss of the privilege of visiting in the residential halls.
• Loss of the privilege of being on campus after regular business hours, unless student is attending a class.
• Loss of the privilege to participate in any extracurricular activities, including athletic teams, intramural sports, etc. and loss of the use of Haskell facilities (i.e., Tecumseh Gym, Coffin Sports Complex, and Stidham Union). Student shall inform the Office of Student Conduct when the student has a class or class assignment or project in any of these facilities.
• Loss of privilege to Curtis Hall.
• Loss of Good Social Standing.
• Requirement to complete an Alcohol Assessment and Treatment Plan.
• Double the fine and community service hours from the diversion program.

3. Third Violation:
• Referral to Student Appellate Board with a recommendation of mandatory suspension for two academic years with a double fine and community service hours from the previous violation.
• Completion of an alcohol/drug treatment program or other appropriate treatment program before readmission to Haskell, or depending on the severity, expulsion from Haskell.

D. Medical Amnesty
The Medical Amnesty Program (MAP) represents the Haskell’s commitment to increasing the likelihood that community members will call for medical assistance when faced with an alcohol or drug-related emergency. Every student, as a part of the Haskell community, has a responsibility for caring for self and others. In alcohol or drug related incidents, the primary concern of the University is the well-being, health, and safety of students.

Haskell has an obligation to make mandatory administrative referrals of students for incidents related to alcohol and other drug-related emergencies. The potential for student conduct action by the University against the student in need of medical attention and/or the student reporting the incident may act as a barrier to students getting the immediate medical attention they need. In order to alleviate the behavioral consequences associated with these alcohol and other drug-related emergencies, and increase the likelihood that students will get the medical attention they need, Haskell has developed a Medical Amnesty Program. This policy applies to all students who call on behalf of themselves or another student in need of immediate medical assistance including being transported by EMS.

In order to receive Medical Amnesty, students must use the policy proactively. This means that students must take the initiative to get assistance and that asking for medical amnesty after being confronted for possible alcohol or drug policy violations will not result in application of MAP.

If a student calls on behalf of another student, he or she is REQUIRED to remain with the student experiencing the medical emergency until medical personnel arrive.

Medical amnesty applies only to possession or consumption of alcohol and drugs. In addition, the policy does not prevent action by police or other law enforcement personnel.
Frequently Asked Questions about the Medical Amnesty Program

Why do we have a Medical Amnesty Program?

At Haskell, the health and safety of every student is of primary importance and all students are strongly encouraged to be empowered bystanders who respond in a potentially dangerous situation without fear of reprisal from Haskell. Haskell supports students who act responsibly by reaching out for assistance in the case of a medical emergency, as well as supports the student who is helped.

A student or student organization seeking medical treatment for him/herself, or for any other student who is in immediate medical need, or any student who is the recipient of this emergency medical help, will not be subject to disciplinary sanctions related to the violation of using or possessing alcohol or other drugs, as defined in the Substance Abuse Policy. This rule applies to emergencies both on and off campus.

A student is eligible to use the Medical Amnesty Program on more than one occasion and students are always strongly encouraged to report a medical emergency. The positive impact of reporting a medical emergency will always hold the highest priority when determining the appropriate response for Haskell policy violations. In a situation where there are repeated violations, Haskell reserves the right to take disciplinary action on a case by case basis.

Because parents are vital partners in the educational process and because the student can be best supported from home, Haskell typically contacts parents of students under 21 years of age in instances where there is evidence of risk to health, welfare or safety. In addition, the University reserves the right to record names of those students involved to enable the University to follow up with the students as deemed necessary to ensure a student’s well-being.

A student who receives medical assistance for alcohol use under the Medical Amnesty Program will be referred by the Student Conduct Office or their representative to a mandatory intervention program, such as the Red Road Program at the University Counseling Center. Additionally, a student who qualifies for the Medical Amnesty Program by calling for medical assistance for another student may be referred to this program at the discretion of the Student Conduct Office.

Frequently Asked Questions

Q. What if I am underage and drunk when I call for help for a friend?

A. In this situation, emergency personnel might want to ask you a few questions about how much the sick person had to drink or if they mixed the alcohol with any other drugs, for example. This
information will be critical to helping your friend. In such a case, Haskell will not refer you or the person you called for an alcohol violation.

**Q. Will my name be recorded if I call for help for my friend?**
A. In most situations, if you are level-headed enough to call for help and you are not showing signs of alcohol or other drug overdose, emergency personnel will thank you for your assistance and simply help your friend.

**Q. How will anyone know I was the one who called for help?**
A. In most cases, a professional staff members from Residential Halls will know that you called for help. If they do not know, you can simply inform them of your role in helping your friend or yourself.

**Q. Does the Medical Amnesty Program apply if I call for help for myself?**
A. Yes

**Q. Does Haskell contact my parents if I am transported to the hospital?**
A. Haskell does not automatically contact your parents when you are transported to the hospital. However, your parents would eventually be notified by mail if you are under 21 and had a hospital transport for alcohol or drug use.

**Q. What happens if I am transported to the hospital for the second time – does the Medical Amnesty Program apply?**
A. While the main concern is the health and safety of every student, a pattern of behavior for hospital transports will require a staff member to review the situation and follow up using professional judgment for each individual situation.

**Q. What should I do if a friend is showing signs of alcohol poisoning or overdose?**
A. Remember to **Check**, **Call** and **Care**. Alcohol overdose can be scary, but getting help is not.

**CHECK**: Watch out for your friends throughout the night. Encourage healthy choices. If someone you know has consumed too much alcohol, check for signs of overdose.

**CALL**: If you discover any one of the above problems, call for medical help immediately. Call 911. The above indicators of alcohol overdose are very serious and time is of the essence. If you are unsure and are on campus, call Haskell Security at 785-760-6192.
**CARE:** Continually talk to the person and monitor their skin color, temperature and breathing. Turn and keep the person on his/her left side as this will help to keep the person from choking should they vomit. Wait with your friend until help arrives; never leave a sick friend alone.
V. Campus Violence Policy
A. Purpose of the Policy
Haskell Indian Nations University and its respective entities are committed to maintaining a safe working and learning environment for all members of the Haskell community. In this regard, HINU will take reasonable action to provide an environment free from violence, threats of violence, harassment, intimidation, and other disruptive behavior.

B. Policy Statement
HINU will not tolerate violence, threats, harassment, intimidation and other disruptive behavior on its campus or in its programs, whether by students, faculty, staff or visitors. Such behavior may include oral or written statements, gestures, or expressions that communicate a direct or indirect threat of physical harm or intimidation. Individuals who commit such acts may be subject to sanctions including, but not limited to, removal from the premises; exclusion from the premises; criminal prosecution; corrective and/or disciplinary action; and suspension or expulsion.

Haskell seeks to enrich the lives of students by employing programs and services to assist them, referring them to counseling, and having staff conferences with them. See the Counseling Center for information about campus programs of harassment and violence.

C. Sanctions for Violation of the Violence Policy (That does NOT involve an arrest or emergency medical personnel)

1. First Violation:
   • Student will have an opportunity to participate in a Level I Violence Diversion Program in order to maintain housing.
   • A student who does not participate in a Level I Violence Diversion Program will receive a “Notice to Vacate”, or “Eviction” resulting in immediate loss of housing for one year from the date of issuance.
   • Any time a student is found in violation of the Violence Policy, he/she will lose their housing privilege. However, a student may appeal the loss of housing. The student shall remain in housing pending the outcome of the appeal. Should the student lose the appeal, the previous “Notice to Vacate” will go into effect immediately.

2. Second Violation: This sanction is mandatory; however a student may appeal to the appellate board for review. The Student will receive an order that includes the items below:
   Notice to Vacate, resulting in immediate loss of housing for one year from the date of issuance, also includes:
   • Loss of the privilege of visiting in the residential halls.
   • Loss of the privilege of being on campus after regular business hours, unless student is attending a class.
   • Loss of the privilege to participate in any extracurricular activities, including athletic teams, intramural sports, etc. and loss of the use of Haskell facilities (i.e., Tecumseh Gym, Coffin Sports Complex, and Stidham Union). Student shall
inform the Office of Student Conduct when the student has a class or class assignment or project in any of these facilities.

- Loss of use of Curtis Hall.
- Loss of Good Social Standing.
- Requirement to complete a Mental Health Assessment and Treatment Plan.

3. Third Violation:
- Referral to Student Appellate Board with a recommendation of mandatory suspension for one academic year.
- Completion of an anger management treatment program or other appropriate treatment program before readmission to Haskell, or depending on the severity, expulsion from Haskell.
VI. Campus Sexual Assault and Sexual Harassment and Title IX
Jurisdiction
Haskell shall adjudicate cases involving alleged violators who are students or Haskell employees. There is no “statute of limitation” for violation of the sexual misconduct policy. This is in recognition of the severe psychological harm that sexual misconduct can have and to empower those against whom sexual misconduct is perpetrated to report when they have been harmed.

Campus Sexual Assault
The following actions are violations of the sexual assault/harassment policy of Haskell.
1. Non-Consensual Sexual Touching
2. Non-Consensual Sexual Intercourse
3. Non-Consensual Sexual Contact (sexual contact without effective consent).
5. Any attempt or aiding in attempt of any of the actions listed in this policy.

Definitions
1. Intercourse: includes vaginal or anal penetration by penis, object, tongue, or finger; or contact between genitals and mouth).

2. Sexual Touching: any intentional contact with breasts, buttocks, groin, genitals, mouth, or other bodily orifice of another, or touching another with any of these body parts, or making another touch you or himself or herself with or on any of these body parts.

3. Consent: is informed agreement to do the same things, at the same time, in the same way, with each other, is freely given without coercion, uses mutually understood words or actions. One cannot engage in sexual intercourse or sexual touching, without violating the sexual misconduct policy, if one knows the other cannot give consent.

4. Sexual Misconduct includes non-consensual sexual contact, non-consensual sexual intercourse, sexual exploitation, and sexual harassment.

5. Non-Consensual Sexual Intercourse is any sexual intercourse (vaginal, anal, or oral), however slight, between persons of whatever sex, without consent.

6. Non-Consensual Sexual Contact is any sexual touching, however slight, between persons of whatever sex, without consent.

7. Sexual Exploitation includes prostitution, posting images on social media without consent, video taping without consent, peeping tommerly, intentional transmission of any sexually transmitted diseases, and inducing incapacitation for the purpose of having sex with a person.

8. Initiator: The person, of whatever sex, who initiates any sexual touching, contact, or intercourse.
9. **Respondent**: The person, of whatever sex, who must consent before any sexual touching, contact, or intercourse may occur.

**What does consent mean?**
1. In the absence of mutually understood actions or words, it is the responsibility of the initiator of any sexual contact to ensure consent is given by another person.
2. Consent to one form of sexual activity does NOT imply consent to other types of sexual activity.
3. Past consent to sexual activity does NOT imply consent to future sexual activity.
4. Consent must be given at each stage of sexual contact.
5. Consent given under the threat of physical force, any form of coercion, or intimidation is not effective consent.
6. Consent cannot be given by minors (persons under age 18), mentally disabled persons, or physically incapacitated persons.

**How do I know if someone cannot give consent?**
Is the other person:
1. Unconscious?
2. Under the legal age of consent?
In these two cases, the other person cannot give consent.

Do you perceive in the other person:
1. Slurred speech
2. Bloodshot eyes
3. Smell of alcohol on breath
4. Inability to stand up straight
5. Vomiting
6. Outrageous or unusual behavior
   Or, is the other person:
7. Physically impaired?
8. Physically incapacitated?
9. Mentally disabled?

This is not a comprehensive list. None of these characteristics necessarily means that the person cannot give consent. However, it is the responsibility of the initiator of sexual contact to ensure that the respondent can consent and that he or she gives consent. Sexual misconduct does NOT necessarily have to be intentional. If the initiator does not ensure consent, the initiator can be found in violation of the sexual misconduct policy.

In other words, **it is always the responsibility of the initiator of sexual contact to ensure that consent can be and is given**. It does not matter if the initiator is incapacitated or not; it is always the responsibility of the initiator to get consent from the partner.
Other Important Information to Consider
1. Any person is not required to resist sexual advances. Silence is NEVER implied consent.
2. Silence, previous sexual relationship, current relationship, style of dress, or money spent on the respondent does not imply consent to any sexual activity.
3. Intentional or unintentional use of alcohol or drugs does not imply consent on the part of the respondent.
4. Consent may be revoked at any time by any party involved.
5. Consent has an expiration date. Consent only lasts for a reasonable amount of time. Reasonable amount is defined by circumstances. If a person consents to sexual activity, but no sexual activity occurs, the initiator should reconfirm consent before again initiating sexual activity.

Possible Sanctions for Sexual Assault
1. Any student found responsible for violating the Sexual Exploitation, the Non-Consensual Sexual Contact or the Non-Consensual Sexual Touching policy will face sanctions ranging from warning and probation to expulsion, depending on the severity of the incident and previous conduct records.
2. Any student found responsible for violating the Non-Consensual Sexual Intercourse policy will face sanctions ranging from suspension to expulsion, depending on the severity of the incident and previous conduct records. The recommended sanction will normally be expulsion.

Definition of Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when either:

(1) submission is either explicitly or implicitly a condition affecting academic or employment decisions; (2) the behavior is sufficiently severe or pervasive as to create an intimidating, hostile or repugnant environment; or (3) the behavior persists despite objection by the person to whom the conduct is directed. The University considers such behavior, whether physical or verbal, to be a breach of its standards of conduct and will seek to prevent such incidents and take corrective action when sexual harassment occurs.

Types of Sexual Harassment

Generally speaking, there are two types of sexual harassment, “quid pro quo” and hostile environment.

Quid pro quo (meaning “this for that”) sexual harassment occurs when it is stated or implied that an academic or employment decision about a student or employee depends upon whether the student or employee submits to conduct of a sexual nature. Quid pro quo sexual harassment also occurs when it is stated or implied that an individual must submit to conduct of a sexual nature in order to participate in a University program or
activity. So, for example, if an employee is made to believe that a promotion is likely if the employee goes on a date with the employee’s supervisor, the employee is possibly being subjected to “quid pro quo” sexual harassment.

Hostile environment sexual harassment occurs when unwelcome conduct of a sexual nature creates an intimidating, threatening or abusive working or learning environment or is so severe, persistent or pervasive that it affects a person’s ability to participate in or benefit from a University program or activity. While a person engaging in harassing behavior most often has some form of power or authority over the person being harassed, that is not always the case. The harasser can be a peer of the person being harassed. Sometimes the harasser is harassing a person who has power over them. For example, a supervisee can sexually harass a supervisor or a student can sexually harass a faculty member.

Examples of Sexual Harassment

The following descriptions, while not all-inclusive, will help you understand the types of behavior that are considered “conduct of a sexual nature” and that, if unwelcome, may constitute sexual harassment:

Unwanted sexual statements: Sexual or “dirty” jokes, comments on physical attributes, spreading rumors about or rating others as to sexual activity or performance, talking about one’s sexual activity in front of others and displaying or distributing sexually explicit drawings, pictures and/or written material. Unwanted sexual statements can be made in person, in writing, electronically (email, instant messaging, blogs, web pages, etc.) and otherwise.

Unwanted personal attention: Letters, telephone calls, visits, pressure for sexual favors, pressure for unnecessary personal interaction and pressure for dates where a sexual/romantic intent appears evident but remains unwanted.

Unwanted physical or sexual advances: Touching, hugging, kissing, fondling, touching oneself sexually for others to view, sexual assault, intercourse or other sexual activity.

Possible Sanctions for Sexual Harassment

1. Any student found responsible for violating the Sexual Harassment policy will face sanctions ranging from warning and probation to expulsion, depending on the severity of the incident and previous conduct records.

TITLE IX REQUIREMENTS:
NON-DISCRIMINATION AND ANTI-HARASSMENT POLICY

A.Title IX Statement
It is the policy of the College to comply with Title IX of the Education Amendments of 1972 through E.O. 13160, which prohibit discrimination
based on sex (which includes sexual harassment and sexual violence) in Haskell’s educational programs and activities. Title IX and its implementing regulations also prohibit retaliation for asserting claims of sex discrimination. Haskell has designated the following Title IX Coordinator for the entire university system to coordinate its compliance with Title IX and to receive inquiries regarding Title IX.

Interim Title IX Coordinator/Student Rights Specialist  
155 Indian Avenue  
Lawrence, KS  66046  
(785)749-8457

Students who wish to report sex discrimination or sexual harassment should file a complaint with the Title IX Coordinator Tonia Salvini at 785-749-8457.

B. Policy Statement  
Haskell Indian Nations University is committed to providing a learning, working, and living environment that promotes personal integrity, civility, and mutual respect in an environment free of discrimination on the basis of sex. Haskell considers sex discrimination in all its forms to be a serious offense. Sex discrimination constitutes a violation of this policy, is unacceptable, and will not be tolerated. Sexual harassment (as defined below), whether verbal/sexual, physical/rape unwanted touching, or visual, is inconsistent with the expectations of Haskell and may constitute a form of sex discrimination prohibited by this policy. Sexual harassment also includes sexual violence/assault (as defined below). Examples of specific conduct that constitutes sexual harassment and sexual violence/assault are set forth below.

C. Content of the Complaint  
So that the Haskell has sufficient information to investigate a complaint, the complaint should include: (1) the date(s) and time(s) of the alleged conduct; (2) the names of all person(s) involved in the alleged conduct, including possible witnesses; (3) all details outlining what happened; and (4) contact information for the complainant so that the Haskell may follow up appropriately.

A complainant will be given a copy of the document titled “Explanation of Rights and Options After Filing a Complaint Under the Title IX: Non-Discrimination and Anti-Harassment Policy.”

Conduct that Constitutes a Crime  
Any person who wishes to make a complaint of sex discrimination or sexual harassment that also constitutes a crime—including sexual violence/assault, domestic violence, dating violence, or stalking—is encouraged to make a complaint to local law enforcement. If requested, Haskell will assist the complainant in notifying the appropriate law enforcement authorities. A victim may decline to notify such authorities.
Special Guidance Concerning Complaints of Sexual Violence/Assault, Domestic Violence, Dating Violence, and Stalking

If you are the victim of sexual violence/assault, domestic violence, dating violence, or stalking, do not blame yourself. These crimes are never the victim’s fault. Haskell recommends that you immediately go to the emergency room of a local hospital and contact local law enforcement, in addition to making a prompt complaint under this policy.

A victim may decline to notify such authorities. A victim is NOT required to report to law enforcement as a prerequisite for filing a Title IX complaint through Haskell. The Title IX complaint can proceed regardless of whether there is any simultaneous law enforcement reporting.

If you are the victim of sexual violence/assault, domestic violence, or dating violence, do everything possible to preserve evidence by making certain that the crime scene is not disturbed. Preservation of evidence may be necessary for proof of the crime or in obtaining a protection order. Victims of sexual violence/assault, domestic violence, or dating violence should not bathe, urinate, douche, brush teeth, or drink liquids until after they are examined and, if necessary, a rape examination is completed. Clothes should not be changed. When necessary, seek immediate medical attention at an area hospital and take a full change of clothing, including shoes, for use after a medical examination.

It is also important to take steps to preserve evidence in cases of stalking, to the extent such evidence exists. In cases of stalking, evidence is more likely to be in the form of letters, emails, text messages, etc. rather than evidence of physical contact and violence.

Once a complaint of sexual violence/assault, domestic violence, dating violence, or stalking is made, the complainant has several options such as, but not limited to:
· contacting parents or a relative
· seeking legal advice
· seeking personal counseling (always recommended)
· pursuing legal action against the perpetrator
· pursuing disciplinary action
· requesting that no further action be taken

1. Protecting the Complainant

Pending final outcome of an investigation, Haskell will take steps to protect the complainant from any further harassment or retaliation regardless of whether the victim chooses to report the crime to campus police or local law enforcement. Steps may
include assisting and allowing the complainant to change his or her academic, transportation, work, or living situation if options to do so are reasonably available.

If a complainant has obtained a temporary restraining order or other no contact order against the alleged perpetrator from a criminal, civil, or tribal court, the complainant should provide such information to the Title IX Coordinator or appropriate deputy Title IX Coordinator for their campus. Haskell will take all reasonable and legal action to implement the order.

2. Timing
Haskell encourages persons to make complaints of sex discrimination and sexual harassment as soon as possible because late reporting may limit Haskell’s ability to investigate and respond to the conduct complained of.

3. Investigation and Confidentiality
All complaints of sex discrimination and sexual harassment will be promptly and thoroughly investigated in accordance with the Title IX Procedure. The interim Title IX Coordinator will investigate and any recommendations for adjudication will be referred to the Title IX Team. For more information regarding the Title IX process, please see page 54.

Haskell will make reasonable and appropriate efforts to preserve an individual’s privacy and protect the confidentiality of information when investigating and resolving a complaint. However, because of laws relating to reporting and other state and federal laws, Haskell cannot guarantee confidentiality to those who make complaints. In the event a complainant requests confidentiality or asks that a complaint not be investigated, Haskell will take all reasonable steps to investigate and respond to the complaint consistent with the request for confidentiality or request not to pursue an investigation. If a complainant insists that his or her name not be disclosed to the alleged perpetrator, Haskell’s ability to respond may be limited. Haskell reserves the right to initiate an investigation despite a complainant’s request for confidentiality in limited circumstances involving serious or repeated conduct or where the alleged perpetrator may pose a continuing threat to the Haskell community.

4. Resolution
If a complaint of sex discrimination or sexual harassment is found to be substantiated, Haskell will take appropriate corrective action. Students, faculty, and staff found to be in violation of this policy will be subject to discipline up to and including termination, expulsion, or other appropriate institutional sanctions; affiliates and program participants may be removed from the university programs and/or prevented from returning to campus. Remedial steps may also include counseling for the complainant, academic, transportation, work, or living accommodations for the complainant, separation of the parties, and training for the respondent and other persons.
5. Bad Faith Complaints
While Haskell encourages all good faith complaints of sex discrimination and sexual harassment, Haskell has the responsibility to balance the rights of all parties. Therefore, if the investigation at Haskell reveals that a complaint was knowingly false, the complaint will be dismissed and the person who filed the knowingly false complaint may be subject to discipline.

D. Retaliation
It is a violation of this policy to retaliate against any person for making a good faith complaint of sex discrimination or sexual harassment and/or cooperating in the investigation of (including testifying as a witness to) such complaint.

E. Vendors, Contractors, and Third Parties
This policy applies to the conduct of vendors, contractors, and third parties. If a member of the Haskell community believes that he or she has been subjected to sex discrimination or sexual harassment by a vendor, contractor, or third party, the person should make a complaint in the manner set forth in the above procedure. Haskell will respond to the complaint as appropriate, given the nature of its relationship to the vendor, contractor, or third party.

F. Academic Freedom
While Haskell is committed to the principles of free inquiry and free expression, sex discrimination and sexual harassment are neither legally protected expression nor the proper exercise of academic freedom.

G. Education
Because Haskell recognizes that the prevention of sex discrimination, sexual harassment, sexual violence/assault, domestic violence, dating violence, and stalking is important, it offers educational programming to a variety of groups such as: campus personnel; incoming students and new employees participating in orientation; and members of student organizations. Among other elements, such training will cover relevant definitions, procedures, and sanctions; will provide safe and positive options for bystander intervention and will provide risk reduction information, including recognizing warning signs of abusive behavior and how to avoid potential attacks. To learn more about education resources, please contact the Title IX Coordinator. All forms can be found at the end of this book in the “Forms” Section.

VII. Fire Safety
A. MAJOR VIOLATIONS

1. Fire Protection Equipment – Fire extinguisher’s, pull stations, smoke detectors, automatic sprinkler systems, and fire alarms are located throughout the campus for the protection of human life and property. To use this equipment for non-emergency purposes is prohibited. Immediate action will be taken against anyone who falsely, whether intentionally or negligently, activates or tampers with fire safety equipment, exit signs, horns, strobes, notification devices, and fire exit doors. Tampering means to intentionally disable, alter, or change the fire alarm system, fire protective device, the station or signal box. Fire doors and any door with a closing mechanism must not be propped open or disabled. In addition, initiating, causing or contributing to a false report, warning or threat of fire, explosion, or other emergency is grounds for disciplinary action.
   Typical Sanctions: Emergency suspension, $100 fine plus all costs associated with the repair or replacement of misused or damaged equipment, cleaning of the facility, possible eviction from University housing and/or possible criminal charges.

2. Fire Hazards – All campus facilities, including student rooms and balconies, are smoke-free. Smoking of tobacco products is permitted only in designated outdoor smoking areas (50 feet from buildings). Cigarette butts and ashes shall be considered *prima facia* evidence of smoking. Open and smoldering flames, including lit candles, incense, plants/herbs, pipes, grills, e-cigarettes and hookahs are prohibited in all campus facilities, including student rooms and balconies. A student must receive prior approval from the Director of Housing to burn material for religious purposes. No heat-producing appliances will be permitted in student rooms, unless authorized by the Haskell Safety Office. This includes hot plates, coffee pots, popcorn poppers, electric skillets, heaters, air fresheners (“Sensies”), etc. Any items confiscated WILL NOT be returned.
   Typical Sanction: $50 fine.

3. Endangerment (Emergency Evacuation) – When a fire alarm is sounded, residents must assume that there is a fire in the building and are expected to evacuate the building. Residents may return to the building only when instructed to do so by Residential hall staff or Haskell Security/Safety personnel. Endangerment includes failure to follow these procedures for fire safety, as well as failure to take cover during severe weather upon notification by Residential Hall staff, Haskell officials, tornado siren, or television/radio severe weather instructions.
   Typical Sanction: $50 fine.

4. Fires (Intentional – Arson) – Any willful or malicious burning or attempt to burn any building or government property on or around campus, any motor vehicle, and/or personal property of another is subject to expulsion from Haskell, as well as criminal charges.
   Typical Sanction: Expulsion from Haskell as well as criminal charges.
5. **Fires (Unintentional)** – All other fires will be handled on a case-by-case basis, based on fire department reports. If it is determined that the fire was the result of violations listed above, sanctions will be at minimum: emergency suspension, $50 fine plus all costs associated with the repair or replacement of the damaged area, cleaning of the facility and other damaged property, possible eviction from Haskell housing, and possible criminal charges. Typical Sanctions: Emergency suspension, $50 fine plus all costs associated with the repair and replacement of the damaged area and property, and cleaning of the facilities. Possible eviction from Haskell housing and possible criminal charges may apply.
VIII. Residential Life Policies
A. Authority to Enter Rooms

Residential hall staff or other non-law enforcement employees may enter rooms for several reasons as described below. As a courtesy, these officials will knock and will identify themselves and verbally request entry before entering the room.

Not hearing a knock or verbal request to enter is not a viable defense in disciplinary proceedings.

1. For reasonable suspicion that a violation of the Code of Student Conduct or local, state, or federal law has occurred in the room or that evidence of the violation is in the room (see details below).
2. For emergencies such as fire drills.
3. For pre-announced health and safety checks.
4. For maintenance requested by the student or pre-announced requests by staff for maintenance work.
5. To conduct room inspections every two weeks.
6. To accompany a police officer who has a search or arrest warrant.
7. To ensure the safety of the student or others, if there is no response to the staff’s knock or verbal request to enter.

B. Search and Seizure in Student Rooms

General Procedures: These procedures apply when Residential Hall staff and other Haskell officials enter a room because of an emergency, or for a room check (every two weeks), or to determine the location of a repair job.

1. Residential Hall staff and other Haskell officials shall use prudent judgment to determine if Security should be present.
2. Illegal items in “plain view” shall be seized.
3. Violations of the Code of Student Conduct that are in “plain view” shall be written into an incident report.
4. Care shall be taken to ensure that the student’s room is left in the same shape as it was found.

Procedures Related to Search Based on Reasonable suspicion of Violation of the Code of Student Conduct: Residential Hall staff and other Haskell officials have authority to search a room when there is reasonable suspicion that a violation of the Code of Student Conduct has occurred and there is reasonable suspicion that evidence of the violation will be found in the room. Reasonable suspicion: A school official must have specific and articulable facts or inference, obtained from either personal observation or a reliable informant, that leads him/her to conclude – based on his/her experience the totality of the circumstances – that the search will lead to a discover of a violation of the Student Code of Conduct.

1. Residential Hall staff and other Haskell officials shall use prudent judgment to determine if non-law enforcement staff should be present. Upon entering, if occupants are present, the occupants must be informed of the intent to search the room.
2. The article/item must be defined before a search begins. (i.e. alcohol, drugs, weapons, etc.)
3. After beginning the search, an illegal item in “plain view,” even if unrelated to the purpose of the search, shall be seized and included in the incident report.

4. The area to be searched is the area where the article could be found. For example: if the article was a jacket, only those spaces of the student’s room where a jacket could be found can be searched; e.g., closet, under the bed, suitcases; however, the search cannot extend to a small purse or makeup cases.

5. Care shall be exercised to leave the room in the same shape as it was found.

**Procedures Related to reasonable suspicion Search for Lost or Stolen Property:**

If there is reasonable suspicion to believe that a room contains lost or stolen student or Haskell property, the following procedure is to be followed to locate the property and to return it to its owner.

1. The Vice President of University Services may authorize Haskell officials with reasonable suspicion to search the room after a reasonable attempt is made to inform the student whose room is being searched and to have the student present for the search.

2. Residential Hall staff and other Haskell officials shall use prudent judgment to determine if non-law enforcement should be present. Upon entering, if occupants are present, the occupants must be informed of the intent to search the room.

3. The complaining party must clearly identify the property before the search begins.

4. The complaining party must request the particular room(s) to be searched or name(s) of residents whose rooms are to be searched. A BLANKET SEARCH OF A RESIDENTIAL HALL OR WING IS NOT ALLOWED.

5. The area searched is the area where the article likely could be found. If the article was a jacket, only those spaces of the student’s room where a jacket could be found can be searched; e.g., closet, under the bed, suitcases; however, the search cannot extend to a small purse or makeup cases.

6. After beginning the search, illegal items in “plain view,” even if unrelated to the purpose of the search, shall be seized and included in the incident report.

7. Care shall be taken to ensure the student’s room is left in the same shape as it was found.

8. Violations of the Code of Student Conduct that are in “plain view” shall be written into an incident report.

9. In the event the searched-for contraband is found, it will be held in the Security Office until the matter is disposed of.

**C. Search of Belongings**

**Scope of Policy**

This policy concerns search of a student’s belongings by Haskell officials in the residential hall or anywhere on campus grounds. **This policy does not cover room searches or searches of vehicles.**
Procedure
1. No Haskell employee shall search a student’s personal belongings unless there is reasonable suspicion based on the five senses to believe that a student has items subject to confiscation in a closed container, belongings, etc.

2. Examples of where there is not reasonable suspicion:
   a. Sound of cans, bottles, visual shape of cans, bottles in back pack, purse, bag, etc.
   b. Prior substance abuse write-ups
   c. Walking to or from a known drinking area with a bag, backpack or purse
   d. Walking across campus late at night with a bag, backpack, etc.

3. Examples of reasonable suspicion:
   a. Odor of alcohol clearly emanating from the bag, purse, backpack
   b. Clear view of beer can or other alcohol container through clear or slightly opaque bags evidenced by a name brand, labels and/or color of can or bottles clearly identified to be that of a known brand
   c. Open container of liquid smelling of alcohol
   d. Combinations of the above

4. The Student Conduct Administrator will dismiss incident reports where there are violations of a student’s right of privacy.

5. A request to search an item (back pack, purse, bag, luggage) may be done with phrases, “May I have your consent to search (item such as backpack, purse, etc.)?” If a student refuses and there is not reasonable suspicion, a search cannot be conducted.

D. Visitation and Guests
Hosts and visitors who violate the Residential Halls visitation policy and other visitation conditions will be subject to Haskell disciplinary process. Non-student visitors may be subject to formal charges under local, state, or federal law.

Visitation Hours will be:

E. Frequently Asked Questions about Visitation

1. Who is a Visitor?
   A visitor is any individual who is not a resident of the residential hall visited or occupant of the room visited.

2. What if I live in a Co-ed hall?
   Residents of co-ed residential halls also have to abide by “inter-visitation” rules.

3. What is “inter-visitation” and are there specific rules?
This term is used to describe visitation between/among residents of that specific co-ed hall. Co-ed hall residents must not only adhere to the rules of visitation but also follow “inter-visitation” regulations. Students residing in co-ed housing may visit in their residential hall without signing the visitation logbook during the designated time for visitation. Residents in co-ed halls are not allowed to be on wings/floors/rooms or study areas before and/or after visitation hours or in areas delegated to members of the opposite sex.

4. **What do I need to do to sign in the visitor?**  
   Present your Haskell Student Identification card to staff. Staff will secure and return it after you have signed out your visitor.

5. **Where can I take my visitors once they are signed in?**  
   Visitors may visit in the floor lounges and, with the consent of roommate(s), in the private room of a student.

6. **Are minors allowed to visit?**  
   Under state law, minor children are those under the age of eighteen (18). Minor children are not permitted in residential halls without the supervision of parents, legal guardians or other appropriate adult supervision.

F. **Visitation Shall Be Governed by the Following Stipulations:**

1. Student Services will poll students and determine those who prefer visitation and those who do not. From this data residential halls and residential hall wings will be identified for visitation or not. Student Services will assign students based upon their preference to the maximum extent practical.

2. All student-hosts and visitors shall be required to abide by the Code of Student Conduct and residential rules related to hours of visitation, areas in which visitation is allowed and procedures for visitation.

3. The student-host shall be responsible for his/her visitor’s behavior. **The student-host must escort their visitors at all times.**

4. **Every visitor must be checked/signed in** at the residential hall’s office before visitation and **checked/signed out** when leaving. Students currently enrolled at Haskell will leave their Haskell identification card when checking in to visit and may retrieve their Haskell identification card upon leaving. Non-student visitors will be required to be signed in by student-host. **Student-hosts are responsible for checking/signing in visitor(s).**

5. All visitors are required to enter through the main (front) entrance of the residential hall.

6. Residential hall staff have the authority to make reasonable decisions on who should/should not be in the residential hall subject to due process for currently enrolled students.

7. For purposes of this section, sleeping areas are defined as individual rooms and corridors/hallways adjacent to individual rooms. Common areas are defined as TV rooms and lounges.

8. Failure to adhere to or abide by this or other Residential Housing policies for visitation will result in disciplinary action, which could include an official warning and/or incident report.

9. Non-Students who continually violate residential rules and/or campus rules...
may be subject to criminal trespassing charges and/or banishment from the campus. (Also see Residential Housing Policies and Procedures Handbook).

It is also recommended that all students obtain renter’s insurance for their personal property or be insured through their parent’s homeowner’s insurance.
IX. Parking and Traffic Program Policies and Procedures
GENERAL REGULATIONS

Haskell is authorized to establish campus parking and traffic regulations and to provide parking fines and penalties for infractions of these regulations. Any motorized vehicle, including motorcycles, operated on Haskell property is subject to all campus parking and traffic regulations.

These regulations have been promulgated for the safety, welfare, and health of students, employees, and visitors and to govern traffic on campus. The operation and/or parking of any vehicle on Haskell property is a privilege, not a right.

The following information is required to register a motorized vehicle: Name, address, vehicle year, vehicle make, vehicle color, license tag number, and state in which vehicle is registered.

A registration decal will be issued which must be affixed to the inside lower driver side windshield. There is no cost for the initial decal; however, replacement decals are $20.00 payable at the University Business Office.

An individual shall be held responsible for violations by a vehicle registered to him/her either through Haskell registration or tracing through the state Motor Vehicle Department, regardless of the operator at the time of the violation. There will be a $20 fee if a trace through the Motor Vehicle Department is necessary.

More specifically, a complaint is a written concern or formal charge of dissatisfaction with a person, service, or process that requires clarification, investigation, and resolution. If a student has attempted to work out an issue or problem by first discussing it with those most involved [individual(s) and/or office(s)] in a calm and honest way, but continues to feel that the issue or problem continues to exist, then the student may submit a written complaint to the supervisor of the various departments where the issue or concern took place.

The grievance can be submitted during normal operation hours (7:45am- 4:30pm M-F) within five (5) business days from the date of the occurrence or matter. The complaint shall be routed to the appropriate official for review and response within five (5) business days in receipt of the complaint. The official-within the department- to whom the complaint was forwarded to review and address, will submit a response to the person who wrote the complaint within five (5) business days in receipt of the complaint. A student may pick up a copy of the Student Complaint Policy and Procedures and a copy of the Student Complaint form on the Haskell website under University Services or in the Office of Student Rights. For questions or additional information contact the Student Conduct office at (785)749-8415. A. Definitions
1. The term “University” means Haskell Indian Nations University
2. The term “student” means any person taking courses at Haskell either full-time or part-time, pursuing undergraduate, or professional studies. Persons who withdraw after allegedly violating the Code of Student Conduct, who are not officially enrolled for a particular term but who have a continuing relationship with Haskell or who have been notified of their acceptance for admission are considered “students.” The term "student" includes any person with respect to whom Haskell maintains education records or personally identifiable information, but does not include a person who has not been in attendance at Haskell for the purpose of academic study.
3. The term “faculty member” means any person hired by Haskell to conduct classroom or teaching activities or who is otherwise considered by Haskell to be a member of its faculty.
4. The term “Haskell official” means any person employed by Haskell.
5. The term “member of the Haskell community” means any person who is a student, faculty member, or Haskell official, as well as any person employed by Haskell or any person living in Haskell residential halls, although not enrolled at Haskell. A person's status in a particular situation shall be determined by the Director of the Office of Student Conduct.
6. The term “Haskell premises” means all land, buildings, facilities, and other property in the possession of or owned, used, or controlled by Haskell (including adjacent streets and sidewalks).
7. The term “organization” means a group of persons that has been registered and approved by Haskell and that is either:
   a. A registered student organization, which is defined as a group of individuals of which at least 75% of the members are currently enrolled students. The officers of a student organization must be currently enrolled students; or
   b. A registered campus organization, which is defined as a group of individuals of which at least 75% of the members are from the Haskell community, including currently enrolled students, employees, or spouses of these persons. The officers of a campus organization must be members of the Haskell community as defined in this paragraph.
8. The term “Student Appeals Committee for Hearings” means a group of persons authorized by the Student Conduct Administrator to determine appeals after initial adjudication. The Student Appeals Committee can determine whether a student has violated the Code of Student Conduct and to recommend sanctions that may be imposed when a violation has been committed in situations where the Student Conduct Administrator is unable to do so. The Student Appeals Committee for Hearings is comprised of a cross-section of employees and students from the Haskell community.
9. The term “Student Conduct Administrator” means the Haskell official designated by the Haskell President to be responsible for the initial adjudication of violations of the Code of Student Conduct. The Student Conduct Administrator is authorized to resolve all issues of student conduct and to impose or monitor sanctions upon any student(s) found to have violated the Code of Student Conduct.
11. The term “shall” is used in the imperative sense.
12. The term “may” is used in the permissive sense.
14. The term “policy” means written Haskell regulations as found in, but not limited to, the Code of Student Conduct, Residential Life Handbook, the Haskell web page and computer use policy, and Graduate/Undergraduate Catalogs.
15. The term “Affected Person or Parties” or “Complainant” means any person who submits a charge alleging that a student violated this Code of Student Conduct. When a student believes that s/he has been an affected person of another student's misconduct, the student who believes s/he has been an affected person will have the same rights under this Code of Student Conduct as are provided to the Complainant, even if another member of the Haskell community submitted the charge itself.
16. The term “Respondent” means any student accused of violating this Code of Student Conduct.
17. The term “Student Conduct Process” means the procedures for conducting investigations, hearings, and appeals related to alleged violations of the Code of Student Conduct.
18. The term “Alternative Dispute Resolution” means a method to resolve disputes outside of the normal SC process. Involves the use of neutral third parties to increase the effectiveness of settlement discussions.
19. The term “Student Appeals Committee” means any person or persons authorized to impose or monitor sanctions on any student(s) found to have violated the Code of Student Conduct.
21. The term “education records” means records, files, documents, and other materials that contain information directly related to a student and that are maintained by Haskell. The term does not include: (i) records of instructional, supervisory, and administrative personnel and educational personnel ancillary thereeto which are in the sole possession of the maker thereof and which are not accessible or revealed to any other person except a substitute; (ii) records maintained by a law enforcement unit of Haskell that were created by that law enforcement unit for the purpose of law enforcement; (iii) in the case of persons who are employed by Haskell but who are not in attendance at Haskell, records made and maintained in the normal course of business which relate exclusively to such person in that person's capacity as an employee and are not available for use for any other purpose; or (iv) records on a student that are made or maintained by a physician, psychiatrist, psychologist, or other recognized professional or paraprofessional acting in his professional or paraprofessional capacity, or assisting in that capacity, and which are made, maintained, or used only in connection with the provision of treatment to the student, and are not available to anyone other than persons providing such treatment, except that such records can be personally reviewed by a physician or other appropriate professional of the student's choice.
22. The term “directory information” relating to a student includes the student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational institution attended by the student.
23. The term “disorderly conduct” means petty offense chiefly against public order and decency that falls short of an indictable misdemeanor.
24. **ADJUDICATION** – The action of hearing and deciding a complaint of a violation of the Code of Student Conduct based on information in an incident report, evidence and/or testimony.

25. **ADVOCATE** – One who pleads for someone’s cause, or in support of something. See Student Advocate Policy.

26. **APPEAL** – A request by a party to a disciplinary matter to have another designated Haskell official or officials review a disciplinary decision.

27. **BUSINESS DAYS** – Days that Haskell is in full operation. Excludes weekends and holidays.

28. **CALENDAR DAYS** – All days of the week are considered calendar days including weekends and holidays.

29. **CODE VIOLATIONS** – Violations of the rules of the Code of Student Conduct, which subjects students to the Student Conduct Process and which may result in sanctions; see Sanctions on pg. 28-30.

30. **CRIMINAL TRESPASS NOTIFICATION** – A form issued by Haskell staff to an Individual(s) who trespasses on Haskell property or who has been issued a Notice to Vacate or Emergency Suspension. Once a Criminal Trespass Notification is in place, the person who violates the notice may be referred to local authorities and may incur arrest and charges for Criminal Trespass.

31. **DISPOSITION** – A written decision following adjudication.

32. **DISCIPLINARY (Social) PROBATION** – One or more of the following sanctions:
   A. Restriction, for the duration of probation, from holding any student offices and from representing Haskell in any manner.
   B. Monitoring of student’s behavior, with a requirement that the student report to a counselor as directed. Any violations while a student is on social probation could result in a Notice to Vacate, removal from campus and Emergency Suspension or expulsion.

33. **DIVERSION PROGRAM** – An alcohol and/or drug program or campus violence program that allows a student to maintain “Good Social Standing,” and/or maintain housing eligibility. Usually applied as a sanction.

34. **EVIICTION** – A sanction whereby the student is ineligible for housing for a specified period of time.

35. **EXPULSION** – A sanction that prevents a student from attending Haskell or being on its grounds or in its buildings without permission from the Haskell President. Violators may be referred to local authorities and may incur arrest and charges for Criminal Trespass.

36. **GOOD SOCIAL STANDING** – All students at Haskell have good social standing upon admission. Good social standing can be lost by a violation of the Code of Student Conduct that results in removal, suspension or expulsion from Haskell; not to be confused with good academic standing. The student is restricted, for duration of loss of good social standing, from holding any student offices and from representing Haskell in any manner. Representation of Haskell includes all athletic programs and intramural activities. Good social standing can be regained by completing the sanctions, fulfilling conditions of probation or by re-admission after suspension.
37. **OFFICIAL WARNING** – A written warning on a disposition form notifying the student that he/she has not maintained acceptable standards of conduct by not complying with sanctions given. Failure to comply will result in immediate “Notice to Vacate” from housing.

38. **PREPONDERANCE OF INFORMATION** – Evidence which is of greater weight or more convincing or more believable than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not.

39. **REASONABLE SUSPICION** - : A school official must have specific and articulable facts or inference, obtained from either personal observation or a reliable informant, that leads him/her to conclude – based on his/her experience the totality of the circumstances – that the search will lead to a discover of a violation of the Student Code of Conduct.

40. **SOCIAL PROBATION** - A period of time when a student may be faced with more severe disciplinary sanctions if the student is found to violate the Haskell regulations while in the designated probationary period.

41. **SUSPENSION** – A sanction that prevents the student from attending Haskell for a specified time frame. For substance abuse, if the student is found to have committed the violation, the suspension is for a minimum of one (1) full year but not more than two (2) full years.

   - Loss of the privilege of visiting in the residential halls.
   - Loss of the privilege of being on campus after regular business hours, unless student is attending a class.
   - Loss of the privilege to participate in any extracurricular activities, including athletic teams, intramural sports, etc. and loss of the use of Haskell facilities (i.e., Tecumseh Gym, Coffin Sports Complex, and Stidham Union). Student shall inform the Office of Student Conduct when the student has a class or class assignment or project in any of these facilities.
   - Loss of Good Social Standing.
   - Requirement to complete an Alcohol Assessment and Treatment Plan if NTV was issued for a Substance Abuse Violation.

**B. Interpretation and Revision**

Any question of interpretation or application of the Code of Student Conduct shall be referred to the Student Conduct Administrator or his or her designee for final determination.

The Code of Student Conduct shall be reviewed every 3 years under the direction of the Student Conduct Administrator.

**C. Sources**

These sources may be found in the Student Service Policy and Procedures Manual at the Office of the Vice President of University Services. A brief description of each source is provided.

D. Acknowledgements
This Code of Student Conduct is based on the work done by Edward Stoner and John Lowery and their work, “A Twenty-First Century Model Student Conduct Code with a Model Hearing Script.” The Code of Student Conduct section was based on the code at the University of Denver, Haskell’s core values, and the August 2007 Haskell Indian Nations University Code of Student Conduct. The sexual misconduct policy was based on Brett Sokolow’s work, “Creating a Proactive Campus Sexual Misconduct Policy.” The “Classroom Expression,” “Campus Expression,” “Publications,” “Freedom of Protest,” and “Student and Campus Organizations” sections are based on Dr. Venida Chenault’s document, “Haskell Indian Nations University Development of Comprehensive Code of Student Conduct.” All other sections are based on the 2008/2009 Haskell Indian Nations University Student Code of Conduct and the August 2007 Haskell Indian Nations University Code of Student Conduct. EMERGENCY SUSPENSION NOTIFICATION

TO: ____________________________ Student

FROM: ___________________________ Student Conduct Administrator

RE: EMERGENCY SUSPENSION

DATE: ____________________________

The following is to inform you that you are hereby placed on temporary emergency suspension as outlined in 25 CFR 42.7 Due Process and the Haskell Code of Conduct. The facts that support your placement on Emergency Suspension, which we believe are creating an immediate danger of risk to the campus community or yourself are:

__________________________________________________________________________________

__________________________________________________________________________________

__________________________________________________________________________________

The conditions of your Emergency Suspension are:

Level 1 – Emergency Suspension (in-house) where student is confined to their residential hall but, may attend classes, use the library and go to the dining room. Visitation privileges are suspended and student is not allowed to attend any activities on-campus until suspension status is withdrawn. Must sign in as scheduled by residential hall staff. NOTE: Student may or may not be moved to another room or even building in cases of violence.

Level 2 – Emergency suspension where student must be out of residential hall room, but still can attend classes, eat meals, use the library and be on the Haskell grounds for other school related purposes.

Level 3 – Emergency suspension where the student MUST BE OFF CAMPUS COMPLETELY; they cannot eat meals, attend classes, use the library or be on the Haskell grounds for any reason.

Any violations of the above will automatically result in an off campus suspension. If you come back on campus during your emergency suspension at times that you are not supposed to be here, you may be prosecuted for criminal trespassing under Kansas Law KSA 21-3721.

You will remain on suspension until such time as you are offered a hearing. This will require a conference with the Student Conduct Administrator. A mutual agreement will be reached by the Housing Director and the Student Conduct Administrator for lifting of the Emergency Suspension or for placing conditions for on campus housing privileges.

Please check your campus mailbox daily for a notice from the Student Conduct Office regarding a disciplinary conference. If you are on a Level 3 suspension, you may make contact with the Student Conduct Office by calling 785-749-8415 for an appointment.

Revised 08/2015
The Haskell Indian Nations University Code of Student Conduct emphasizes each student’s individual responsibility for maintaining behavior while attending and representing the university. These are guidelines based on regulations and laws of the State of Kansas, ordinances of the City of Lawrence, and regulations found in the Haskell Code of Student Conduct. Knowledge of these regulations, laws, ordinances, and Haskell Code of Student Conduct are the responsibility of the individual student.

Students found in violation of the Substance Abuse policy related to being intoxicated, possession and/or transportation and trafficking of alcohol or illegal drugs risk the loss of residential housing and/or suspension or expulsion. The university will inform parents/guardians of students under the age of 21 of incidents involving substance abuse.

Violent or disruptive actions such as fighting, intimidation, and unlawful assembly are not permitted on the Haskell campus and may result in Emergency Suspension and/or expulsion from the campus. The use of possession of firearms or other lethal weapons are prohibited on campus and in the residential halls and could result in emergency suspension and/or expulsion. Harassment based on gender, tribal affiliation, degree of Indian blood, sexual orientation, disability, martial or parental status or age is not tolerated. All cases involving issues of gender and discrimination, dating and domestic violence, stalking, sexual harassment and sexual assault will fall under the Title IX and Violence Against Women Act.

Theft of personal, private and/or institutional property will not be tolerated and may lead to legal prosecution.

Show respect for property by not engaging in its defacement or destruction. Student will be liable for all costs associated with damage.

Gambling is prohibited on the campus at Haskell activities.

Each student will receive the Code of Student Conduct handbook and follow regulations.

Trespassing on Haskell campus may result in issuance of Criminal Trespass Form, which could result in arrest and/or prosecution.

Abide by all residential housing rules. Attend all scheduled classes.

Student must present university ID upon request by staff.

I have read and understand the above-mentioned regulations; I agree to abide by them. I further understand that failure to observe the regulations of the Haskell Code of Student Conduct could affect my status in the residential housing program and/or student at the university.
