

Measure 2: Satisfaction of Employers and Stakeholder Involvement (R4.2 & R5.3)– Summary

An Employer Satisfaction Survey was sent to the one employer of the one first-year completer (teaching in an elementary school, $n=1$). Due to the small n , the survey data cannot be shared this year. However, next year the survey data will be included with the larger group of program completers from 2024-2025. This will allow for continued safeguarding of sensitive information and anonymity.

Analysis of Employer Satisfaction Survey:

Even though the data cannot be shared, the EPP acknowledges the strong ratings received from the employer regarding the first-year teacher. The employer is satisfied with the overall preparation of the first-year teacher.
