

WELCOME TO HASKELL!

ORIENTATION FALL 2025
AUGUST 28 – AUGUST 31, 2025

Kickstart your university life with everything you need to know about your new home!

Welcome!

The mission of Haskell Indian Nations University is to build the leadership capacity of our students by serving as the leading institution of academic excellence, cultural and intellectual prominence, and holistic education that addresses the needs of Indigenous communities.

Welcome to Haskell Indian Nations University!

Congratulations on taking this important step in your educational journey and choosing to attend HINU. As an alum of this proud institution, it brings me great joy to welcome each of you into the Haskell family.

HINU is more than just a university — it is a place with a powerful history and deep roots. This land holds the stories of our ancestors, and while it began with the pain and oppression faced by our people, today it stands as a symbol of strength, resilience, and opportunity. That opportunity now belongs to you.

What you do with this time, this education, and this community is in your hands. But know this — you are not alone. We are here to walk alongside you, to support and guide you, and to celebrate your successes. Whatever your journey looks like, we will be here for you.

Welcome home. Welcome to Haskell.

Mackie Moore

Interim President

WHAT IS ORIENTATION?

Orientation will take place in a 2-to-3-day period. It is an opportunity for you to familiarize yourself with peers and become acquainted with the Haskell campus. This guide is designed to support and welcome you to our rich and vibrant community

During Orientation you will receive information regarding expectations such as our student code of conduct and safety procedures. There will be events to learn about academic programs, student clubs, and campus support programs as well as the Lawrence community resources

You will share this experience with other students who are also new to Haskell and get to meet the Ambassadors, who can show you Haskell through their lens as current students. This will also be a time for you to meet Haskell faculty and staff.

Orientation will be a bus time! A lot of information will be shared to help you transition to the Haskell college life.

Questions are welcomed!
Participation is encouraged!

HASKELL ORIENTATION ROAD MAP

1

Your acceptance letter. This letter will have your student ID number. Keep your ID number do not misplace it.

2

Login to your Haskell Email. This is your main form of communication at Haskell, make it a habit to check your email daily. No email? Check your SPAM/JUNK folder. Contact IT Department at ITHelpDesk@haskell.edu for questions.

3

Login to your Student Portal. Check your student portal account for information about (grades, billing, financial aid, enrolling for classes). For questions, contact the Registrar's office at Registrar@haskell.edu.

4

Login to your Blackboard. As a Haskell student most of your content and interaction will be through Bb. Access your courses, free tutoring, and other forms such as changing your major. Contact ITHelpDesk@haskell.edu for questions.

5

Take your ALEKS Math Placement Test. Register and complete the Math placement test – Any questions please email: mathdepartment@haskell.edu or call 785-832-6630.

6

Enroll for classes with an advisor. List of faculty advisors are on the HINU website at www.haskell.edu/academics/ and the advisors are listed on page 9 of this booklet

7

Access Class Schedule via Student Portal – make sure it is correct and accurate.

8

After enrolling – purchase your textbooks through Haskell eCampus www.haskell.ecampus.com. Questions? Contact Tommaney Hall at library@haskell.edu. More information on page 10.

9

Walk to your class locations or be familiar with where they are located. The map is at the end of this booklet.

10

Did you apply for Housing? <https://www.haskell.edu/housing/> . Submit a Housing application via DocuSign (every semester) If you choose to live on campus, you will find a housing contract. Questions? Contact haskell.housing@haskell.edu. Refer to page 11.

Even if the Haskell website is down, students can access their portal via student.haskell.edu

ASSOCIATE AND BACCALAUREATE DEGREES

BACCALAUREATE DEGREES:

BS – Business Administration

Three tracks: General Business Management, Tribal Management, Records and Information Management

BS – Elementary Education

For those planning to teach kindergarten through sixth grade with additional preparation for eligibility and licensing

BS – Environmental Science

Adding substance to the concerns of Tribal Nations on sustainability, and for those planning careers in the environmental or biological fields

BA – Indigenous and American Indian Studies

A foundation of knowledge and practical skills needed to contribute to the development of Tribal Nations.

ASSOCIATE DEGREES:

Associate of Art Degrees:

- Media Communications
- Para-Professional Education
- Communication Studies
- Liberal Arts
- Media Communications
- Para-Professional Education
- Social Work

Associate of Science Degrees:

- Community Health
- Health, Sports, and Exercise Science
- Natural Science
- Recreation and Fitness Management

CERTIFICATES:

Geography Certificate

Math Certificate

Records and Information Management Certificate

ENCOURAGING MESSAGES

The office of Student Services welcomes you to Haskell Indian Nations University! The Student Services office is here to help as you adjust and settle into your educational path. Our services include Student Activities, Residential Life, Student Rights, and Counseling. Each of our departments provide unique support services in areas of social activity, safety, housing and student advocacy. As our President mentioned, "join clubs, challenge yourself and lean on those around you for guidance at Haskell Indian Nations University on of support, success, and memories.

Dean of Students

Marisa Mendoza

Vice President of Academic Affairs

Welcome! It is my honor and pleasure to have the opportunity to welcome you to Haskell and your first steps on your educational and personal pathways. Haskell orientation will provide you with important information needed as a new student, allows to engage with our faculty, staff, and your Haskell peers, and expose you to some of the many opportunities available as a Haskell student.

I encourage you to strive in the time you are here at Haskell with a desire to learn, grow, and to take ownership of your education. I encourage you to ask questions, to be open, and to want to know, hear, and learn from each other. Challenge yourselves to begin your path at Haskell and do what is you came here to do.

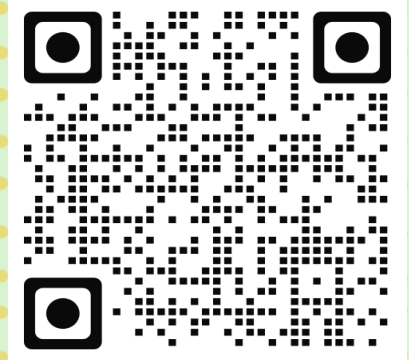

Remember, you are not alone. We are here with you at the beginning of your journey and continuing with your time at Haskell. I hope you have a successful academic year and continue "to belong" here at Haskell.

Dr. Milford Muskett
